Re-Elect Democrat
MARY CARMACK-ALTWIES
for District Attorney

Re-Elect Democrat Mary Carmack-Altwies for District Attorney: Real Change. Real Results.

When Democrat Mary Carmack-Altwies took over as District Attorney in 2021, we were in the middle of a global pandemic. Judicial District One had a backlog of cases dating back over four years, numerous staff vacancies, and attorneys who were overworked and underpaid.

Mary has turned around the office and has re-established the **reputation and credibility** of the First Judicial District by professionalizing the office, winning critical cases, and hiring and retaining the best and brightest attorneys New Mexico has to offer.

Mary's priorities for Los Alamos, Rio Arriba, and Santa Fe Counties are:

- **To stop the revolving door of crime** by expanding substance abuse treatment and mental health programs for non-violent, repeat offenders
- Put the full power of the District Attorney's office behind **reducing crimes against children**, by working with the New Mexico Children Youth and Families Division (CYFD) and schools to identify at-risk children and offering early intervention services
- **Send violent criminals to prison**, target prosecution resources toward the worst offenders, and seek increased penalties for crimes committed with a firearm

Mary and Judge, the new Courthouse Facility Dog. Courthouse Facility Dogs are highly trained and skilled to specifically work with special victims—children and youth—and witnesses of crime.
